ENGINEERING

Doctors of Engineering

As young girls growing up over 6,000 miles apart, one dreamed of writing a book while the other dreamed of becoming a teacher one day. Separate paths converged in Washkewicz College of Engineering as both women pursue shared research interests. [Read More](#)

MUSIC

Songs of the Season

Seth Thomas met CSU's Dr. Angelin Chang who encouraged him to consider piano performance in the CSU Master of Music program. He now studies with the Grammy Award® winning professor and will sing with University Chorus on Dec. 9th. [Read More](#)

ALUMNI

FACULTY

21st Century Adult Education

As part of CSU's yearlong 50th Anniversary celebration, the Adult Learning and Development program recognized current and former students, faculty, and two notable alums who discussed Adult Education: Practice in the 21st Century. [Read More](#)

Ten Questions! with Dr. Oya Tukul

More than 25 years ago she arrived in the U.S. on a student visa; today Professor Oya Tukul manages the fastest growing program in the Monte Ahuja College of Business and takes pride in her grads achieving a 90% job placement rate. [Read More](#)

Writing your Way through Finals

Need last minute or middle-of-the-night assistance with your final papers or writing assignments? Seeking tips on how to avoid plagiarism and its serious consequences? Check out these online resources for last minute guidance. [Read More](#)

RECOGNITION

First Place Chemical Engineering Team

CSU Chemical Engineers took first place prize in a nationwide design challenge. The CSU Team developed an alternative process to manufacture influenza vaccines that does not involve the traditional egg-based method. Plus, it's cost-effective and disposable. [Read More](#)
