## Reminders

CONFERENCE

## Research: How to Engage

So often we see the same people in the halls every day but never really know what exciting research is going on next door. We're trying to foster a relaxed environment in which attendees and presenters can learn from each other. Join us on November 15th. [Read More](#)

STUDENT

## Ph.D. Candidate Raises Awareness with TEDx

My research examines human trafficking as a science rather than an emotionally-charged social issue. Because trafficking is a system, a complex system, and as such it can be mapped, plotted and explained along mathematical terms. [Read More](#)
